

CALAVERAS

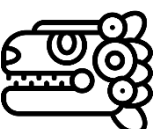

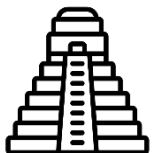

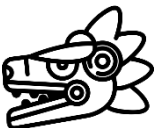

Calaveras are linked to many religious celebrations such as Dia de los Muertos and Hanal Pixán.

Whilst the Maya may not have painted their faces like their modern relatives; skulls feature prominently in the Mayan religion.

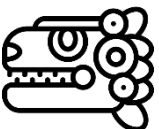

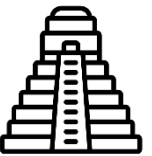

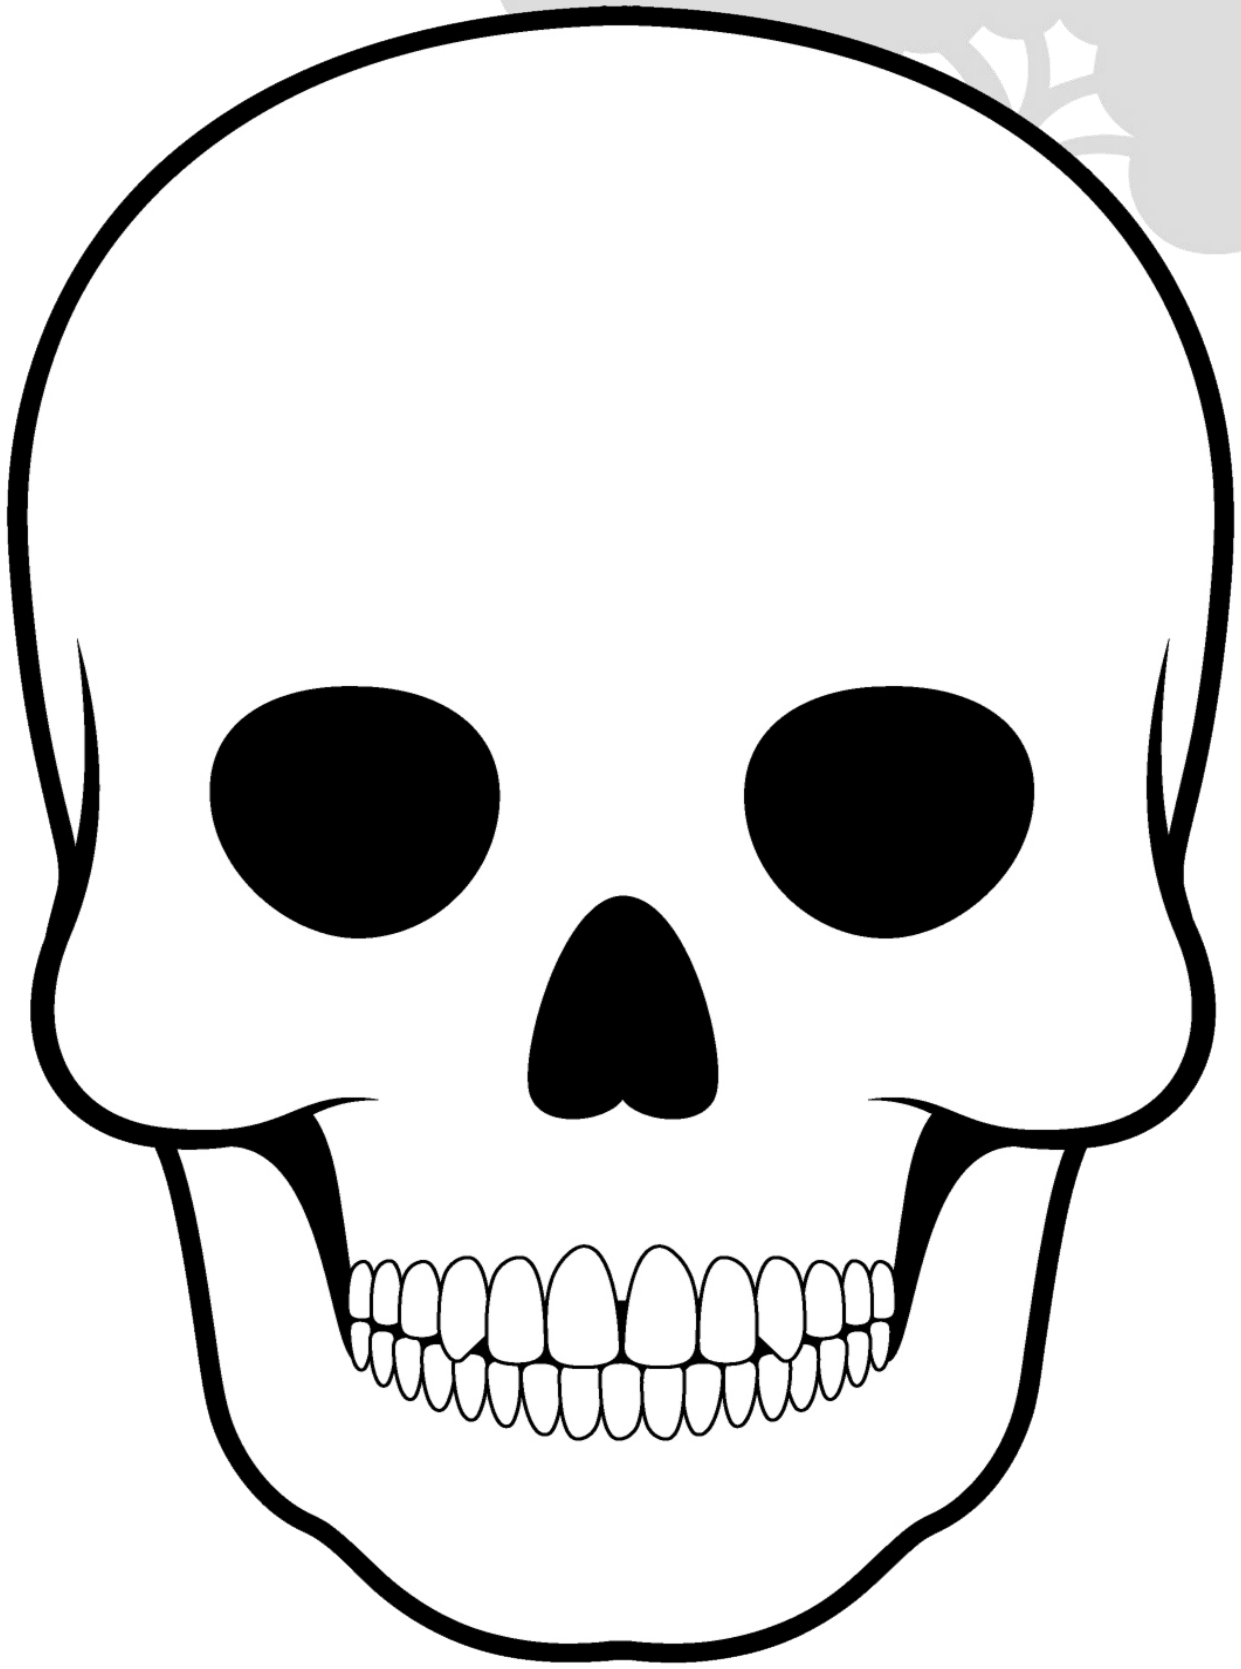

Create a Calavera for your household using the template on the next page.

Many Calaveras have lots of colour and flowers so look out your window for inspiration and make it as bright as possible!!!

If you are feeling extra creative, ask your adult to help you bring your Calavera to life using face paints!
